

Rattlesnake Avoidance Training for Dogs!

If you like to take your dog running, hiking or hunting, you and your pet are at risk of encountering Rattlesnakes! While you might have the sense to avoid one if you see it, your dogs natural curiosity puts them at much greater risk of a Venomous Bite which can cause excruciating pain, permanent physical damage, Thousands of dollars in expense, and even Death!

Get Rattled Rattlesnake Avoidance Training is a small investment to help ensure your dog and your family can avoid ever suffering such tragedy. For a small training fee, you will get extra assurance and peace of mind that your dog will avoid a dangerous rattlesnake encounter.

Not only is the benefit obvious for the dogs, but due to a dogs heightened senses, they may know danger is nearby before you do and their behavior will alert you to the possible hazard.

Live rattlesnakes are used in naturalistic settings for maximum effectiveness to teach your dogs to avoid the sight, sound, and smell of rattlesnakes. Your dogs will be handled by experienced dog trainers and a licensed snake handler will provide course safety.

This dog required extensive care including reconstructive surgery. He spent a month in the clinic with a bill of nearly \$10,000!

Don't let this happen to your pet!

"I was surprised and so thankful to see that Otis stayed clear of a snake after receiving his training. He's a hunter and constantly attacks lizards, mice, and anything that moves."

- Sharon D. talking about Otis, her 6-year-old dachshund's encounter with a rattlesnake.
